

CASTLEVANIA

GAME MANUAL

GAME MISSION

The Mission of Castlevania is for our main character the knight (Specter Knight) to reach the top of the castle to save the princess. In order to get to the top of the castle you have to face some enemies and get through a maze. When you finally get to the top and find the princess you win the game.

THE MAIN MENU

Ready to start?

When you start Castlevania you will be presented a main menu that allows you to start the game or simply exit. You can reach this menu again if the player dies during the game.

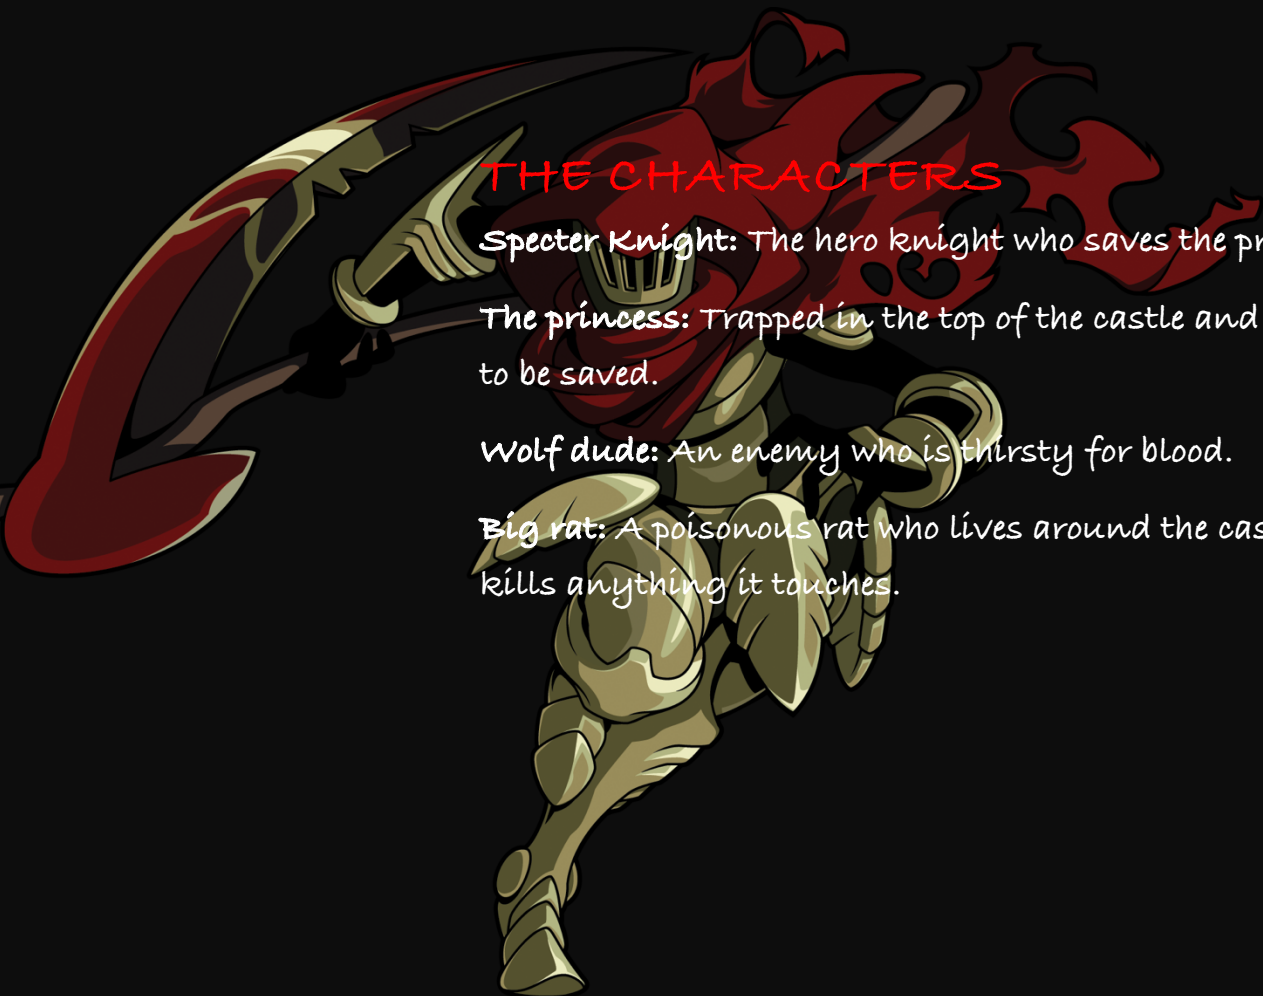

THE CHARACTERS
